

NOTICE OF SUBMISSION DESIGN AND CONSTRUCTION REPORT

Highway 28 and Peterborough County Road 4 Intersection Improvements Detail Design and Class Environmental Study (WP 4206-15-00)

THE STUDY

The **Ministry of Transportation (MTO)** has retained **WSP Canada Group Ltd.**, to complete the Detail Design and Class EA Study for the intersection improvements to Highway 28 and Peterborough County Road 4 in the Township of Douro Dummer, County of Peterborough.

The project involves the following components:

- New traffic signals;
- Dedicated southbound right turn lane;
- Eastbound and westbound left turn lanes;
- Improvements to the existing northbound and southbound left turn lanes;
- Widening of Highway 28 between Peterborough County Road (PCR) 4 and PCR 8 to accommodate fully developed left turn lanes between the two intersections;
- Drainage improvements including general grading of ditches and culvert replacement/extensions; and
- Utility relocation.

THE PROCESS

This study was carried out in accordance with the approved environmental planning process for Group "B" undertakings under the Ministry of Transportation's *Class Environmental Assessment (Class EA) for Provincial Transportation Facilities* (2000), with the opportunity for public input throughout the project.

The purpose of this notice is to inform the public that a Design and Construction Report (DCR) has been prepared to document the Class EA process followed, including a description of the Recommended Plan, potential environmental effects and mitigation plan. The DCR will be available from **April 4th to May 4th** for a 30-day public review period at the following locations during normal hours of operation:

Douro-Dummer Township Office

894 South Street, P.O. Box 92
Warsaw, ON K0L 3A0
tel: 705-652-8392
